

# LIFE NIGHT

## Remote

**APRIL 19: JESUS AS SAVIOR**

### DISCUSSION QUESTIONS

- What does it mean to be saved?
- How did Jesus save us?
- How does He continually save you?
- Why do we still hope for salvation?
- What role does Baptism play in our salvation?
- What role do the sacraments of the Eucharist, Confession, and Confirmation play in our salvation?
- What does it mean to accept Jesus as your savior?
- If you truly accept Jesus as your savior, how does that change how you live your life?

### KEY POINTS:

- Jesus' death and resurrection has saved us from the consequences of original sin.
- Baptism washes us of original sin, and at our baptism we are adopted as sons and daughters of God.
- Jesus establishes a new covenant that allows us to engage in a proper relationship with God, with the sacraments as signs of His grace.
- We continually grow in faith throughout our lives, and hope that we will join God in eternal salvation.

### SCRIPTURE:

- 2 Timothy 1:9
- Ephesians 2:8-9
- Mark 16:16

### PRAYER OF THE WEEK

Reflect on your personal faith journey. Open up a Word doc, your notes app, or your journal, and just start writing. Think about your faith journey--when do you start thinking about your relationship with God? What is it like now? How has it changed? Where do you want it to go?
